Crash Course on the Bible

To many, the Bible seems difficult to understand and overwhelming to digest. But the Bible was written over a 1500 year span by over forty authors. There are sixty-six books written in over three different continents in three different languages. Yet its consistency and story is seamless. To help see the storyline of the Bible, we are going on a "Crash Course" through the Bible". Over twelve weeks, we are going to quickly travel through the Bible and its wonderful story of love.

We started on October 18th with the first part of Genesis and will continue through January ending with Revelation. If you missed the sermons, remember you can catch up by listening to the sermons at www.sheldonchurch.com/sermon-archive. The sermons are placed online by the following Tuesday by noon.

So put on your seatbelt and get ready for a fast ride through the Bible.

Thanksgiving Potluck Jesus Has Been in Our Shoes

Everyone is invited to join us after the worship service for our annual Thanksgiving Meal/Potluck on Sunday, November 15. The church will be providing the turkey, mashed potatoes, gravy, and stuffing. If you are attending, please bring a dish to pass & your appetite for good food and fellowship to complete the Thanksgiving meal. Please sign up on the welcome center so we know how much turkey to order.

Bloodmobile

The Sheldon Bloodmobile will be on November 19th at the community center 12:30-6:00. Please call 1-800-448-3543 for information.

We believers, at times get so caught up feeling sorry for ourselves and the crosses we are called to bear, that we forget— Jesus has been in our shoes! He has walked the same paths. Hebrews 4:16 says He is the High Priest who feels our infirmities, and was tempted like we are, except He had no sin nature.

The word that we need to catch in this passage is the word "all". He understands everything that we are going through. As verse 16 tells us, we can "come boldly unto the throne of grace, that we may obtain mercy, and find grace to help in time of need." He has been in our shoes. He understands what we are going through. Just call out to Him in your time of need.
